## Our Mission

The Délégation des Compétitions en Informatique is ÉTS's computer security and hackathons club. We form teams to participate in computer science competitions, attend conferences and organize competitions within ÉTS. We're here to provide an effective learning environment for the next generation of industry professionals.

Through partnerships, the Délégation des Compétitions en Informatique aims to promote collaboration and encourage enriching exchanges between students and industry professionals, making us a must for ÉTS software and IT engineering students.

# The Delegation's activities

## Activities

Our delegation takes part in a number of events every year.  
This year, we plan to register delegation members at :

**@Hack · CS Games · NorthSec · JDIS games**

**Hack the North · HackFest · CyberSci**

In addition, DCI pushes students to participate in the following events:

**PolyPwn · Coveo Blitz · JacHacks · ConUHacks**

**PolyHacks · CodeML · McHacks · AMC**

We also co-organize the inter-university competition :

**United CTF**

## Results

### CS Games

As every year,  
la DCI sends two teams to  
the CS-Games.

The PoÉTS team  
came 7th.

The ArchitÉTS team  
came 18th.

## NorthSec

Two teams represented the DCI at NorthSec.

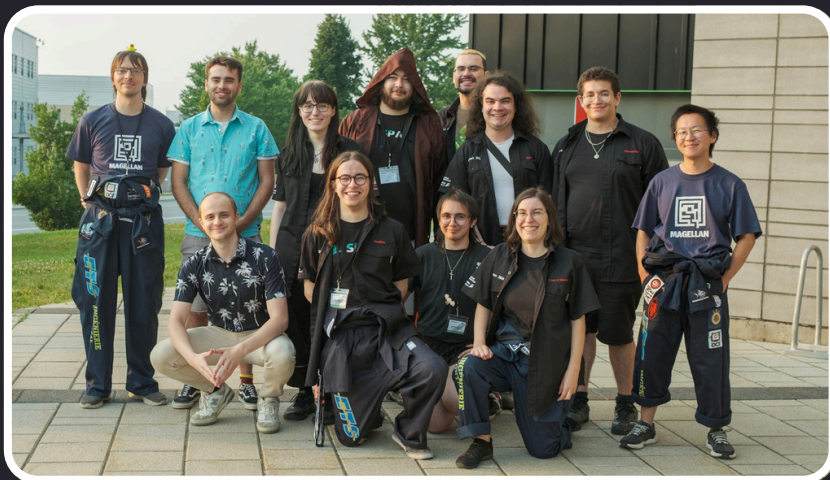

The usual HackThePlanÉTS came 24th.

And the WirÉTSshark team came 53rd.

## JDIS Games

The JDIS Games is a competition to which the DCI sends many teams.

In summer 2024, 5 teams represented the DCI, with one of them finishing in 6th place!

## HackFest

Hackfest is our first competition of the academic year. It enables us to send new students to try out the competitions.

In 2024, the DCI placed 7th in the Pro ranking, and 31st in the classic ranking.

## CyberSci

Every year, the Cybersci is an interesting and diverse competition.

As usual, two teams represented the DCI. One finished 4th, and the other 9th.

# Partnership

We are always on the lookout for partners to help us carry out our activities. To this end, we offer various means of visibility to our partners, so that they can make themselves known at the events in which we participate.
